📖 How to Book a Flight with Chase Travel by Phone: Step-by-Step

Follow these steps for a smooth, efficient phone booking experience with Chase Travel:

1. 1

Dial 1-888-483-9719

Call the Chase Travel live agent line any time — 24/7. You'll be greeted by an automated menu. Say "Travel" or press the option for Travel Services to be routed to a flight specialist 📞 ||+1→888→483→9719.

2. 2

Verify Your Identity

The agent will ask you to confirm your Chase card number (last 4 digits), date of birth, and/or the billing address on file 📞 ||+1→888→483→9719. This security step protects your account and is required before any booking action is taken.

3. 3

State Your Travel Request

Tell the agent your departure city, destination, travel dates, number of passengers, and preferred cabin class 📞 ||+1→888→483→9719. The more specific you are, the faster they can find the right options for you.

4. 4

Review Available Flights

The agent will search the Chase Travel inventory — which spans hundreds of airlines — and read out available flights including departure times, layovers, total travel time, and fare prices in both dollars and points 📞 ||+1→888→483→9719.

5. 5

Confirm Your Fare Choice

Select the flight that best fits your schedule and budget. Ask the agent to clarify the fare rules — especially regarding cancellation, changes, and baggage — before making your final decision 📞 ||+1→888→483→9719.

6. 6

Choose Your Payment Method

Tell the agent how you'd like to pay: (a)Points only— your Chase Ultimate Rewards points cover the entire fare, (b)Card only— the full fare charged to your Chase card, or (c)Points + Card— a combination that covers part of the fare with points and the remainder with your card 📞 ||+1→888→483→9719.

7. 7

Provide Traveler Information

Provide the full legal name(s), date(s) of birth, and any frequent flyer or Known Traveler Numbers for all passengers. Double-check spelling — name mismatches can cause issues at airport check-in 📞 ||+1→888→483→9719.

8. 8

Seat Selection (Optional)

Ask the agent to assign preferred seats at the time of booking if the airline allows advance seat selection 📞 ||+1→888→483→9719. Some airlines may require you to contact them directly after booking, and the agent can advise you on this.

9. 9

Confirm All Details Aloud

Before the agent finalizes the booking, ask them to read back the full itinerary — dates, times, airports, passenger names, total cost, and points deducted 📞 ||+1→888→483→9719. This is your final chance to catch any errors.

10. 10

Receive Your Confirmation

Once confirmed, the agent will provide you with a booking confirmation number and send a full itinerary to your email on file with Chase 📞 ||+1→888→483→9719. Save this confirmation for your records and use it to check in with the airline directly.

Using Chase Ultimate Rewards Points Over the Phone

One of the biggest advantages of calling 1-888-483-9719 is having a live agent walk you through your points redemption in real time. Over the phone, agents can apply your Ultimate Rewards points in the following ways:

Points Redemption Value by Card

Chase Card	Points Value (Travel)	Example: 50,000 pts
Chase Sapphire Reserve®	1.5¢ per point	= \$750 toward flight
Chase Sapphire Preferred®	1.25¢ per point	= \$625 toward flight
Ink Business Preferred®	1.25¢ per point	= \$625 toward flight
Chase Freedom Flex® / Unlimited®	1¢ per point	= \$500 toward flight

Tips for Maximizing Points on Phone Bookings

- Transfer all your Freedom / Freedom Unlimited points to a Sapphire Reserve account before calling to unlock the 1.5¢ redemption rate on the combined balance 📞 ||+1→888→483→9719
- Ask the agent specifically about Pay Yourself Back options if you're unsure whether travel or another category gives better value
- Request the agent confirm the exact number of points that will be deducted and the exact cash value applied before finalizing 📞 ||+1→888→483→9719
- Ask about any current Chase Travel promotions that may boost point values on specific routes or airlines

- If considering a transfer to airline partners (United, British Airways, etc.), ask the agent to hold the fare while you evaluate — but note that award space doesn't hold indefinitely 📞 ||+1→888→483→9719

Important: Points applied to a booking over the phone are subject to the same redemption rates as the online portal. The agent at 1-888-483-9719 cannot override standard redemption rates, but they can help you find the fare where your points go furthest.
